Assignment 3

(FN, 22 July 2020)

You find on compart a presentation by Mario Klingemann that he gave at the conference "beyond tellerrand" in Düsseldorf in 2017. It is a video of 48 minutes, a substantial length, I am aware of this.

I dstill ask you to do the following: watch that presentation, and write a short critique of it.

What do you like, what do you find exciting?

What do you dislike?

What is a highlight?

Don't do more than one page. Submit it to me via email, in pdf format.
